

Comprehension (Very Important)

↳ 20% of the paper

↙ In Airforce Exam,

one passage

4/5 Question

↳ similar for Navy

exams as well

==

Tips

> Time is limited.

So,

> Read the Question first.

> Then read the passage & mark the line as per question.

> For vocab based questions answer should be chosen in the context of the passage.

> For title based question, the title should be derived from the central idea of the passage.
